## Chairman's Chat August 2019

Our International Inner Wheel President Phillis Charter's theme for 2019-2020 is "Together we can". When Clubs work "together we can" create necessary change leading to membership growth so that the amazing work we do in our communities continues. "Project Revive" is a great tool to use and adapt in the way that suits each Club. (Secretary Laurie will include two attachments for use.)

- By now, most Inner Wheel Clubs will be well under way planning their programmes for the year ahead. I have finalised my plans and really look forward to visiting, meeting and sharing with each one of you.
- In July, I enjoyed my first visit to Tauranga Central a small group of young, working, very busy young ladies who find time to be involved as Inner Wheel members in their community.

- Matamata happily welcomed a new member, Trenea Kent, at their July meeting. Please notify me when you have new members so that I can send a welcome note and inform IWNZ President.

- Our District N.Z.293 has been in existence since 1976 with Chairmen who have served us so well. Some later serving as I.W. New Zealand Presidents, International Presidents and International Board members.

As we look towards June 2020, we face the fact that we have no one coming forward to be District Chairman, 1st Vice Chairman, Secretary, Treasurer and ISO/Editor. Personally, I have found so much support from friendly, experienced I.W. members only too happy to help. We are growing as a District and that is positive. We urgently need members to fill these positions so we can stay together as a District.
