November Newsletter

Greetings Ladies,

I have had another enjoyable and very busy time visiting clubs in October. Many thanks to you all for the warm welcomes, having the time to talk and see what your clubs have been working on. Once again I can see how you are all unique and united.

This month I have already visited Western Napier club and next month I will be visiting Opotiki Club. My club visits will be completed by December so thanks to you all for making this happen.

Our District meeting is this weekend and I am looking forward to hearing about your club projects through the show and tell session. Catching up with our IWNZ president Di and hearing her message as well, our guest speaker, other general information and catching up with each other at the Friendship Dinner. I appreciate and thank members for all your work that you have put in to make our meeting flow smoothly.

Diary Dates

District Meeting in Napier Friday and Saturday 14th November 2015.

Inner Wheel New Zealand Conference 2016. 28th April – 1st May 2016.

Theme –Rebuild –Future in the Making. Hosted by District NZ 297.

By now you will have received the latest updates including the registration forms.

Well done to the members who are already getting ready to attend the conference.

Have an enjoyable November.

Take care of each other with this busy time ahead. Remember we are Unique and United.

In friendship
Debra Gould
District Chairman
